

NOTICE OF CANCELLATION OF SOLICITATION

REQUEST FOR QUALIFICATIONS DCKA-2014-Q-0022

Design, Build, Operate & Maintain an Integrated Premium Transit System

Following a significant cut in the budget, the District commenced a review of the business goals and procurement approach of the DC Streetcar program, and its relationship to related programs and budget constraints of the District as a whole. Based on this review, the District has concluded that the approach contained in the solicitation no longer reflects the District's current and future business needs. Therefore, the District has cancelled the above-referenced solicitation.
