OUR DC VALUES

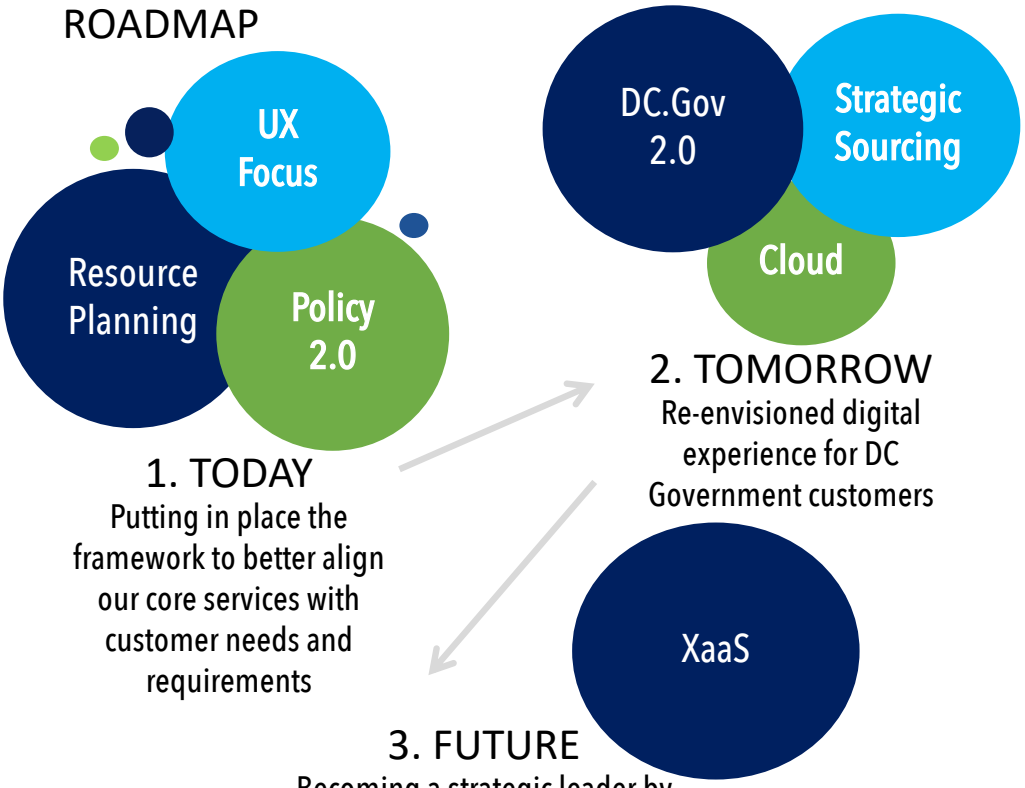
Providing a **fair shot** and **pathway to the middle class** for all DC residents:
mayor.dc.gov/2020budget

Making DC's **innovation** economy the most **inclusive** on the East Coast:
dmped.dc.gov

Planning for **resiliency** so DC can continue to thrive in the face of change:
resilient.dc.gov

We are proud to help Washington, DC Mayor Muriel Bowser realize her vision for an inclusive, diverse and connected Nation's Capital by enabling the agencies of the DC Government to leverage secure, user-focused technologies to deliver better services to our residents, visitors and businesses. We continue to look for the best tools to help residents restore and maintain trust in their local government – a city, county and state in one municipal government.

ROADMAP



1. TODAY
Putting in place the framework to better align our core services with customer needs and requirements

2. TOMORROW
Re-envisioned digital experience for DC Government customers

3. FUTURE
Becoming a strategic leader by providing a customizable service portal
